

About Us

Since 2014, Advanced Healthcare Administration has led the way in providing Social Determinants of Health services in Southern California.

Who We Serve

We serve a wide variety of individuals at AHA, with focus on:

- Those who are experiencing homelessness, living in a shelter, or fear that they could experience homelessness in the next 3-6 months
- Those who are facing eviction or have been evicted
- Those requiring extensive care and support due to chronic health challenges
- Those who identify as part of the LGBTQIA+ community

You may qualify for services based on your unique situation! We encourage you to contact us if you could benefit from our support.
