Join the Los Angeles County Commission on HIV Black Caucus in partnership with Supervisor Holly J. Mitchell, District 2 World AIDS Day Community Townhall

Black communities have carried the weight of the HIV epidemic for decades — and now face major cuts to the programs that keep us healthy and informed. Join us to share truth, uplift community voices, and mobilize for the future of Black health. We'll share key findings from our Black Community Listening Sessions and our assessment of Black-led/Black-serving agencies, and create space to strategize together.
