

HOPWA Regional Offices and Subcontractors

What is a HOPWA Regional Office?

A Regional Office is a starting point of entry for PLWH to access case management assistance thru the HOPWA (Housing Opportunities for People Living with HIV/AIDS) program. Through the Regional Office or **Subcontractor** a PLWH can access Section 8 and affordable housing listings; financial rental assistance programs; housing information and referrals; legal services; support animal advocacy; and many other supportive services that can eliminate barriers for People Living with HIV/AIDS from finding and maintaining permanent housing.

What is a Housing Specialist?

To access HOPWA programs, you must first register with a Housing Specialist at the nearest **Regional Office**. The Housing Specialist can assist you with locating, applying for short-term rental assistance, maintaining affordable and appropriate housing, and/or other services.

Contact your Regional Office to make an appointment with a Housing Specialist.

****Please be prepared to take the following documents:**

- Valid California ID or DL
- Proof of Income (GR or SSI print out, pay stub bank statements, etc.)
