

To honor Mental Health Awareness Month, we are organizing an event to highlight the diverse resources you offer to our community. These encompass housing, food pantries, job opportunities, mental health services, legal aid, immigration support, among others.

We are excited to invite you to participate in our upcoming Resource Fair, an event dedicated to connecting providers with community members. Your expertise and commitment to serving the community make you an ideal participant for this event.

Date: May 27th

Set up time (For Providers): 10am.

Event Time: 12pm-4pm

****Location:****

Magic Johnson park

905 E. El Segundo blvd, La, Ca, 90059

At the fair, you will have the opportunity to:

- Network with community members and community organizations.
- Explore collaborative opportunities to better serve members of the community.

We believe that your presence will greatly contribute to the success of this event and help build a stronger network of support for all involved.

Please RSVP by April 18th by emailing Effie miller at Ejmillier@dmh.lacounty.gov. Once we receive your confirmation a spot will be saved for your booth.

Thank you for considering this invitation. We look forward to the opportunity to collaborate and grow together.
