## About One Heartland

Since 1993, One Heartland has been creating life-changing camp experiences for youth facing social isolation, intolerance or serious health challenges. Our camps provide a welcoming, bully-free environment where children, youth and young adults ages 7 to 20 can feel completely accepted for who they are—often for the first time in their lives.

We welcome youth from all over the United States. The cost of camp is based on income and need, but we'll never turn anyone away if they can't pay. In addition, we can assist with the cost of transportation. For more information, please contact Justine Ellingson, Registration and Travel Manager, at [justine@oneheartland.org](mailto:justine@oneheartland.org) or 888.545.6658.

One Heartland is accredited by the American Camp Association.
