

## Helping you stay healthy and independent wherever you are

If you're 55 or over and at risk for homelessness or currently experiencing homelessness, you already have a lot to deal with. Getting support to stay healthy and independent shouldn't be yet another thing on your list.

### We're here to help.

At Independence at Home, our team will work with you to find the help you need.

We'll connect you with the right resources and services. We'll help you get connected to housing options that are right for you. Plus, if needed, your care manager will meet with you wherever you are. We can also accompany you to appointments if necessary.

All services we provide are at no cost to you. And, be assured this is not a one-time program. We're here to make sure you get the coordination you need now... and in the future.

### Services delivered where and when you need them...

- Comprehensive assessment of your current needs
- Care planning and service coordination to get you help
- Advocacy to ensure you have a voice that's heard

### Who is eligible\*:

- Adults 55 years and older
- Caregivers of people 55 years and older
